

Call for Participation:

# The UK Digital Photography Club

<http://aggregate.org/DPCLUB>

**Meeting place & times to be arranged via the WWW site**

## **What is this club about?**

- \* Photography using digital still & video cameras
- \* Processing, display, and archiving of digital images
- \* Projects involving digital photography, images, & computing
- \* Shared resources: expertise, equipment, etc.

## **Who can join?**

This club is intended primarily for undergraduate students in the Electrical & Computer Engineering department, but other majors, graduate students, faculty, & staff also are welcome.

**Professor Hank Dietz will initially organize & advise the club**
